Dear Mike,

I am writing on behalf of the Mid Lancs. League to thank you and Chorley AC for putting on the cross-country fixture at Parkland High School / Astley Park for us on Saturday 10th. February 2007.

I know how hard you worked in advance and on the day to ensure that everything went smoothly giving us such a memorable days cross-country.

Your redesigned and well-thought out courses made the most of Astley Park and provided an opportunity for interesting and varied running. You will no doubt be gratified to know that the event has already elicited many favourable comments about the quality of the courses, organization and marshalling and of the enjoyment derived.

Please accept my sincere thanks to you and also convey my thanks to the rest of the members of Chorley AC who helped and marshalled contributing to the day's success. Please particularly convey my thanks to Frances Crook who oversaw the timekeeping. I hope that the Mid Lancs. League will be welcomed back to Chorley at some future date. Once again, many thanks for all your efforts.

Yours sincerely,

Dawn Lock.
