

5th February 2010

To all WASC members

Dear members,

It is now time for everyone to renew their membership with us; Withnell Amateur Swimming Club (WASC). It is essential that we get the membership fees in on time as we have to pay for all our members at the beginning of March. We have reluctantly had to increase our fees as many of you will be aware, after years at the previous rate. Membership fees ensure that you are all insured to swim in our club and this is an ASA requirement.

Fees are as follows: Single membership	£15.00
Membership for two (siblings)	£26.00
Family (more than 2)	£39.00

Unfortunately, last year we had numerous problems with collecting fees, and in some cases identifying who has paid and who hasn't, hence we have had a large shortfall in fees paid, thus a financial loss to the club. We therefore have no choice but to return to collecting fees in person. We will be holding a membership renewal/registration evening on Monday 22nd and Friday 26th February 2010 and we expect everyone to be renewed and fees paid by Friday 26th February 2010. Any problems with the above two dates, please inform us and ensure your forms and fees are handed in to us before the 26th February. We appreciate your understanding and look forward to your continued membership with us. If anyone is aware that their 2009 payment didn't for whatever reason go through and haven't got round to informing us, we would be grateful if you could also let us have the fees due, thank you.

Unfortunately, any persons not renewing their memberships will be uninsured and therefore unable to swim in our club. Please remember to cancel your standing order.

Thanks for you co-operation and understanding
